FLAVOR & AROMA

Savory Garlic Mint Spices
Diesel

DESCRIPTION

Garlic Mints is the potent cross of GMO x Animal Mints bx1. Named after its intriguing taste, Garlic Mints has a taste of savory garlic with a hint of mint. The aroma is pungent with hints of diesel and pungent spices. Garlic Mints high has a comfy overtone that will have you fully relaxed. At first, a light boost of euphoria fills your mind with a happy lifted sense before spreading its warmth throughout your body.
