Strain Profile

## MILK & COOKIES

### ABOUT THE STRAIN

---

**Type:** Indica-Dominate  
**Breeder:** Exotic Genetix  
**Lineage:** Cookies & Cream x Triple OG

### FLAVOR & AROMA

---

Milky Vanilla Sweet Creamy  
Peppery Citrus Gassy

### DESCRIPTION

---

Milk and Cookies offers a thick layer of milky trichome hairs which accents patches of amber and an almost lime-green. The aroma is gassy with hints of sweet creamy vanilla and orange citrus. Milk and Cookies produces a delicious creamy flavor with hints of a peppery bite. The high is a soothing and calming that will leave you feeling relaxed and euphoric.
