Strain Profile

## SLURRICANE

### ABOUT THE STRAIN

---

**Type:** Indica

**Breeder:** In House Genetics

**Lineage:** Do-Si-Dos x Purple Punch

### FLAVOR & AROMA

---

Sweet Grape Berry Tropical

### DESCRIPTION

---

Slurricane is an indica strain made by crossing Do-Si-Dos with Purple Punch. Slurricane is described to have relaxing effects with a sweet flavor profile. It is notable for its smell of grape and sugary berries. Slurricane is the ideal strain for relaxing after a long day and will likely leave you stuck wherever comfortable.
