WEDDING CAKE

ABOUT THE STRAIN

Type: Indica Dominant Hybrid

Breeder: Seed Junky Genetics

Lineage: Triangle Kush x Animal
Mints

FLAVOR & AROMA

Sweet Vanilla Fruity Cherry

DESCRIPTION

The popular Wedding Cake strain comes from crossing Triangle Kush and Animal Mints. It has a notably sweet aroma akin to vanilla cake batter with a fruity profile. The taste is with a fruity undertone of cherry pie. With a sparkling trichomes, the bud is dark green with amber orange pistils. The high from this strain is uplifting yet relaxing, providing a burst of energy even as it soothes the mind into a state of calm.
